ATTACHMENT 1

The Local Plan process is still ongoing with final reports commissioned by WODC at the request of the Inspector being consulted on by the 20th December. The EIP Inspector is likely to give his preliminary report on his findings by the end of January. At that stage, it will be clearer as to the plan's status.

HSJ has asked Planning Officer, Phil Shaw, about Rectory Homes, but has not had an update.

HSJ reported that no new plans have arrived at WODC for Bellway 76 – Butchers Ground. There has been no response as of yet from OCC highways about the final method of dealing with footways along New Yatt Road.

HSJ reported he has learned there is an expected planning application for some houses on the garden centre in the near future. He suggests there should be somewhere secure to store the salt for the village once this occurs.

HSJ and SC attended an emergency planning session run by OCC and he has some leaflets, which he's put in the library and shop. He reported that other villages have done their emergency plans and perhaps North Leigh Parish Council could review these.
